With the digital image slides album Creator, you will create an eye-catching Merry Christmas tree decoration slide shows gallery in simple steps.

- 1. Install the digital slide show album maker on your computer and run it.
- 2. Import your Christmas tree decoration pictures to the album creator. You can click the "Add" button to add your image to the slide shows albums maker.
- 3. Edit the digital Christmas decoration gallery image. The slide show creator allows you to decorate your image. Double click one of photos and there will pop up a "Photo Edit" window, which allows you to edit the Christmas tree decoration pictures. You can add poem text or other relevant description text to the picture. You can also add ArtClip to the photos. For example, you can add the Christmas theme ArtClip to decorate images.

- 4. How to choose beautiful and dynamic flash templates for slideshows. The album creator has many eye-catching Christmas theme templates for users to make Christmas slide shows presentations. Click the dropdown list button to choose your favorite Christmas theme templates for your slide shows on the "Advanced" theme window.
- 5. How to add the Merry song to your image slide shows presentations? On the "Advanced" theme templates window, you can click "+" button or "Get from CD" button to add songs to your music flash gallery presentation slideshows.
- 6. Make some setting for your digital picture album presentation slideshows. Click "Customize Properties" button to make some setting for your image slides. You can set the height and width parameters so that your Merry Christmas tree decorations image presentation gallery match your website or blog. If you want, you can also use your favorite background image as the background theme.

How to embed music Christmas tree decoration image slides presentation gallery into your website? Go to the "Publish" Window and Choose "Create Flash File Only" to publish your music gallery slide shows to your local website directory.

After publish the song flash image slideshows, you can open the output folder by click the menu "File" and select the "Open Output Folder." menu item. There is a file named "fs_aux.html", open the file with a text editor software (Dreamweaver or Notepad are also OK). you can see the song Merry gallery slide show code like this:

```
fs_aux.html
1  <!-- saved from url=(0013)about:internet -->
2  <!DOCTYPE html PUBLIC "-//W3C//DTD XHTML 1.0 Transi
3  <html xmlns="http://www.w3.org/1999/xhtml">
4  <head>
5  <meta http-equiv="Content-Type" content="text/html;
6  <title>Title</title>
7  <style type="text/css">
8  <!--
9  body {
10     margin-left: 0px;
11     margin-top: 0px;
12     margin-right: 0px;
13     margin-bottom: 0px;
14 }
15 -->
16 </style>
17 </head>
18
19 <body>
20     <object classid="clsid:D27CDB6E-AE6D-11cf-96B8-
21     codebase="http://download.macromedia.com/pub
22     <param name="movie" value="sample.swf?xml_pat
23     <param name="quality" value="high" />
24     <embed src="sample.swf?xml_path=slides.xml" w
25     </object>
26 </body>
27 </html>
```

Please copy the code section from "<object>" to "</object>" into your own web page.

Note:

1. You should also copy all the files and sub-folders in the output folder to the same folder of your own html file. If you put these files in another folder, please change the code **"sample.swf?xml_path=slides.xml"** by adding correct path before the SWF and XML file.
2. You need to upload all the relevant slide show files to your web directory, including all the song Christmas tree decoration image files.
